## DOE Requesting Proposals for Nationwide Cleanup Contracts

**Cincinnati--** The U.S. Department of Energy (DOE) today released a Request for Proposal (RFP) for the Office of Environmental Management (EM) Nationwide Multiple-Award Indefinite Delivery/Indefinite Quantity (ID/IQ) acquisition. The RFP is unrestricted and open to both small and large businesses with a cost ceiling of \$907 million. Contracts or task orders awarded under the EM Nationwide multiple-award ID/IQ will be for five-year periods.

Proposals from interested companies are requested by December 15, 2009.

The unrestricted RFP will include services in support of EM managed cleanup missions at various DOE or National Nuclear Security Administration (NNSA) sites. Services to be performed include:

- Environmental Remediation Services
- Deactivation, Decommissioning, Demolition, and Removal (DD&R) of contaminated facilities services
- Waste Management Services
- Regulatory Services

The current acquisition schedules for RFP can be found at the DOE Acquisition Forecast website: <http://hqInc.doe.gov/Forecast> ; Opportunity ID: DE030-10-0009 (Unrestricted RFP). Additional information on the EM Nationwide Multiple Award ID/IQ acquisition is available at: <http://www.emcbc.doe.gov/Nationwide Main Page/index.php>
